

## Corporate Volunteering and Fundraising Opportunities 2023

**Pecan is a registered Charity that aims to 'Transform lives through Kindness, Belief and Hope'.**

For more than 30 years we have empowered people in a way that enables them to gain control of their lives. The heart of our work is to meet people where they are in their lives whether that is looking for work or friendship or during a time of crisis.

We work with a huge range of people: those with learning difficulties; lone parents and families; refugees and asylum seekers; people with convictions; women escaping domestic violence; those on benefits or who receive no means of financial support; older people; and anyone needing support.

We want everyone who experiences Pecan to experience; Kindness (embracing diversity and building confidence in capability), Belief (potential and perseverance) and Hope (positive inspiration). We believe in the power of community to address a range of issues faced by people.

We want to include ALL our community in the work we do.
