

Who are we?

Southwark Foodbank exists to ensure that no one in Southwark goes hungry.

Our vision is for a UK without the need for foodbanks.

Our aim is to build a collective vision for a time when emergency food aid is no longer needed. But we can only achieve this by organising together as a community in Southwark, and by working closely with our foodbank users and community members with lived experience of food insecurity. You can be a part of making change happen by joining with us and signing up to this vision.
