

THIS CHRISTMAS

GIVE A GIFT OF HOPE

This year, Pecan and Southwark Foodbank are running our Christmas campaign '**Give a Gift of Hope**' with the aim to lessen financial worry over the Christmas period and ensure support continues well into the New Year.

Your donation can support Southwark Foodbank and Pecan to transform lives during Christmas when the most vulnerable are faced with hard choices such as eating or heating their homes. We are appealing for your support so we can provide **fifty £25 vouchers for single person households** and **one hundred £50 vouchers for families**. Plus, we are adding special tote bags alongside the food parcels this Christmas that will contain: **children's books, treats and extra festive food supplies**.

Together we can **Give a Gift of Hope** this Christmas and continue to support the community into 2024 and beyond.
