

**A Virtual Pecan Easter Egg**

## The Season of Easter

Easter is a time of hope and a time to look out for one another. During Lent, many of us choose to give something up. This year, that small sacrifice can go further.

If you gave up something, such as a daily coffee, weekend takeaways, or a treat – then why not donate what you would have spent? You could even turn it into a **Virtual Easter Egg** – donating the cost of an egg (£2–£5) to support Pecan's work. A small gift that can make a real difference. Those small amounts add up. They help someone feel less alone and take steps toward independence. No one in our community should face tough times alone. By fundraising for Pecan, you're helping people rebuild their lives; restoring confidence, connection and dignity when it's needed most. Everything we do happens because of you.
